Phlebotomy: A Competency-Based Approach, 3rd edition Kathryn Booth, Lillian Mundt

The third edition of Phlebotomy: A Competency-Based Approach was designed to provide a complete introduction to the practice of phlebotomy, with complete coverage of safety procedures, equipment, point-of-care testing, and other skills. The textbook speaks directly to students and encourages them to identify and apply the concepts learned.

The text focuses on “need-to-know” information, and explains the reasoning behind the clinical information for a well-rounded and practical learning experience.

It is suitable for phlebotomy certification programs, medical laboratory technician programs, medical assistant programs, and even independent and distance learning courses.
