The Darwin Awards Countdown to Extinction Wendy Northcutt

The human race's most "devastatingly" popular humor series returns...

With five previous books and more than 1.5 million copies sold, *The Darwin Awards* is a pop culture phenomenon. Honoring those who improve the species by accidentally removing themselves from it, *The Darwin Awards* countdown (to human extinction) is well under way-and we won't exit this mortal coil without one last laugh. In *The Darwin Awards Countdown to Extinction*, readers will find all-new stories chronicling humans who step onto the lowest rung on the evolutionary ladder, including:

- ? Nine no's with power tools
- ? Eight ways to incinerate yourself
- ? Seven safety warnings you should not ignore
- ? Six romance tips for "safe" sex...

Featuring illustrations and brilliant science-of-evolution essays, this latest volume of *The Darwin Awards* enumerates just how uncommon common sense still is.
