**Aneurin (Italian Edition)** Silvia Grifoni

Inghilterra, XIX secolo. Aneurin è un giovane che ha paura del mondo e della gente. Seppur bello come un angelo subisce gli effetti di una malattia e soffre una condizione fisica particolare che lo fa sentire diverso e sempre come in attesa di salire due scalini mancanti. È questa la distanza immaginaria che lui percepisce fra sé e tutti gli altri. Sogna un mondo migliore, pieno di poesia e di alti ideali, dove vi sia posto soprattutto per i diversi e per chi vive ai margini. Un mondo fatto tutto a modo suo. Lo cerca nei miti, nei versi dei grandi e nei significati nascosti dietro alle piccole cose. Ma il destino cambia le sue giornate solitarie costringendolo a lasciare l'amata fattoria dove è cresciuto e a raggiungere un piccolo paese di pescatori affacciato sul mare del Nord, dove dovrà insegnare nella prima classe della scuola elementare. In questa nuova realtà cambierà vita e farà la conoscenza di un particolare gruppo di persone. Ognuna di queste, nel suo genere e a suo modo, saprà aiutarlo a scoprire possibilità che non credeva di avere, a provare sentimenti che non pensava di poter vivere e a cambiare occhi in un viaggio nel quale saranno tutti compagni.
