The Honest Toddler: A Child's Guide to Parenting Bunmi Laditan

As seen on *Good Morning America*, the irreverent, bracingly honest, and “awfully funny” (*The Boston Globe*) satirical parenting guide from the Internet’s most infamous tot, whose unchecked sense of entitlement and undeniable charm have captivated hundreds of thousands of fans.

Are you the confused parent of a toddler?

Are you constantly disappointing the 2T in your life?

Are you tired, stressed out, and looking for relief?

I can’t help you with that last one, but if you want to become an A+ servant to your small child, this book is for you. Who better to teach you about toddlers than another toddler? In this book you’ll learn:

- How time-outs make you look like a fool
- Why potty training is not only unnecessary but unrealistic for children under eighteen
- Why toddler beds are OUT and letting your child sleep on the diagonal in your bed is IN
- The best way to apologize to your toddler for all of those Pinterest casseroles
- That when you love someone, you accept them as they are, pants or no pants

The hard-hitting knowledge in *The Honest Toddler* will save you thousands of dollars in unnecessary whole grains and toothbrushes.

Happy reading. You’re doing the right thing. For once.
