## Afterbirth: Stories You Won't Read in a Parenting Magazine Dani Klein Modisett

*Afterbirth* is about what parenting is really like: full of inappropriate impulses, unbelievable frustrations, and idiotic situations. It's about how life for some parents changes for the worse after their kids are born. *Or so it feels*. It's about how not every threeyear- old is charming and delightful and about how sometimes when your kid is having a tantrum, you have to stifle the impulse to round-house him. And *Afterbirth* is funny—the participants are some of the best comic writers and performers today, turning their attention very close to home and sparing no one, particularly themselves. The thirty-five pieces include:

- Caroline Aaron on what it feels like when the kid moves out of the house ("The New Parenting Paradigm")
- Christie Mellor on why it's dangerous to tell people what you really think about being a mommy ("Yahooey")
- Joan Rater on parenting the unexpected ("Attachment Adoption")
- Neil Pollack on unforeseeable and unreasonable parental rage ("The Tennis Pro")
- Matt Weiner on trying not to parent violently like his father did ("Go Easy on the Old Man")
