Batahola: Diario del fin del mundo (Spanish Edition) Lorena Mancilla

«Quizá usted no se imagina el lugar desde donde le escribo. ¿Cómo decirle? El cielo es grande, y se tiene la sensación de que en el horizonte hay un abismo en el que cesa todo. Si se dirige hacia el norte y ha olvidado su pasaporte, o no lo tiene, o se lo han robado, o lo ha perdido, ahí en la barda metálica se le va a acabar el mundo. El oeste será mar. Se moverá usted en carreteras impredecibles, a momentos sentirá que vive en la cabeza de Don Jorge Luis. Las calles no tienen nombre, y si lo tienen nadie lo conoce. Usted se guiara por montones de tierra, comercios, gasolineras, colores, logos, maquiladoras. [...] si todo está lleno de polvo y tiene la sensación de que se ha perdido aunque conozca su destino, entonces, tenga la certeza de que está usted en Tijuana».

Vivir en la frontera es igual de duro que en las noticias, las canciones y las películas que has visto. Sólo que también tiene algo de rutina, entre la acción, los viajes, el contrabando y la pobreza. "Batahola. Diario del fin del mundo" es un diario hecho a retazos de una vida, de confesiones de sus habitantes de todo lo que pasa cuando la violencia es un hecho cotidiano que no se tiene que contar. Basado en hechos muy reales sucedidos entre Rosarito, Tijuana, California y Cuba.
