A small town Florida teenager discovers punk rock through a loaned mix tape and punk music and culture slowly takes over all aspects of his life. His new passion causes him to form a band, track down out-of-print records that he loves and begin to reissue them, open a record store, begin a record distribution operation as a public service, mentor a host of young musicians, and befriend all manner of punk luminaries along the way. Slowly, his life's pursuit pushes him to the point of personal ruination and ultimately redemption.
