Freedom on Both Ends of the Leash: A Dog, His Man, Their Journey Ara Gureghian

Sometimes Life throws a curve ball and we need to catch it. It becomes a choice and turns into a commitment as it did for us. Spirit rescued me after I lost my only Child Lance to liver cancer, I rescued him two days away from euthanasia, and together we rode and camped full time throughout this beautiful country looking for answers. Some I found, others not. Mother Nature became our mistress taking us on her path while we chased that illusive ball. For eight years we have honed and sharpened our senses discovering Spirituality unlike any other. Living on the road becomes an addiction as every morning brings on a new discovered stage. Through these pages lie those years, but we are not yet done.
