Three Ted Dekker

The award-winning, best-selling suspense masterwork, now a major motion picture event.

Enter a world where nothing is what it seems. Where your closest friend could be your greatest enemy.

Kevin Parson is alone in his car when his cell phone rings. A man calling himself Slater offers a deadly ultimatum: *You have exactly three minutes to confess your sin to the world. Refuse, and the car you're driving will blow sky high.* Then the phone goes dead.

Kevin panics. Who would make such a demand? What sin? Yet not sure what else to do, Kevin swerves into a parking lot and runs from his car. Just in case.

Precisely three minutes later, a massive explosion sets his world on a collision course with madness. And that's only the first move in this deadly game.

From the #1 best-selling fiction author comes a powerful story of good, evil, and all that lies between.
