Acting from the Ultimate Consciousness Eric Morris

Acting from the Ultimate Consciousness is Eric Morris's fourth popular book on the art of acting. His previous works have established him among the foremost innovators in the world of drama. His system, based on the Stanislavsky method but going far beyond it, begins with an exploration of consciousness and the instrumental needs of the actor and expands to dozens of practical techniques that enable the actor to utilize the full range of his talent. With complete sections on characterization, rehearsing and ensemble, this is a book that all stage or screen actors--beginning to advanced--should read, absorb and practice.
