**Al rescate. Crónica de los tres viajes de Benedicto XVI a España (Spanish Edition)** María-Paz López

España, antaño bastión católico, ha experimentado en los últimos treinta años un considerable proceso de secularización. Por eso, los tres viajes españoles de Joseph Ratzinger han sido, en cierto modo, un intento de operación de rescate. Y de ahí el título de este libro, que es una antología de artículos y reportajes de la periodista del diario barcelonés 'La Vanguardia' María-Paz López, que ha cubierto como enviada especial in situ las tres visitas de Benedicto XVI a España: la de Valencia como corresponsal en Roma acreditada ante la Santa Sede a bordo del vuelo papal, y las de Barcelona y Madrid como especialista en información religiosa y vaticana. Todos los textos han sido reeditados por la autora para adaptarlos a una lectura posterior y pausada de los hechos, más allá de la lectura inmediata del día siguiente.
