## Heaven Hell OR?? N SABIR

"I will concentrate on telling the story of how poets, playwrights, religious zealots, thinkers, philosophers and theologians, among others, have tried to describe something that religions holds it ultimately ineffable, very secretive, beyond words, and that non-believers prefer to see as a collective delusion that has prevented us facing up to the finality of death.

It leads us to so apt thought concentration and perplexes ordinary human being endeavoring to meet ends meet that he gives up the thinking process.

You will see discussion about God and Belief. To discuss about Heaven and Hell, One can't keep away from God and Religion. They are intertwined. "
