Badlands (The Aftershock Book 3) Jill Sorenson

Love is the most dangerous territory of all

Every day, bodyguard Owen Jackson puts his life on the line—and keeps his feelings for Penny Sandoval locked away. Assigned to protect Penny's father, a presidential candidate, Owen can't get emotionally involved. That is, until Penny and her young son, Cruz, are abducted and taken deep into the California badlands.

Owen knows the bleak territory from his childhood. Worse, he knows the gang leader making ransom demands—his own brother, Shane. When a terrified Penny escapes into the desert with Cruz, Owen has to save her: from the elements and from the gang in close pursuit. Owen has hidden the darkness in his past from Penny. Now his only chance of keeping her alive is to let her see the man he really is—even if it means losing the only woman he'll ever want.

From reader reviews:

Veronica Mei:

Your reading sixth sense will not betray an individual, why because this Badlands (The Aftershock Book 3) reserve written by well-known writer we are excited for well how to make book that may be understand by anyone who also read the book. Written throughout good manner for you, leaking every ideas and publishing skill only for eliminate your own personal hunger then you still hesitation Badlands (The Aftershock Book 3) as good book not only by the cover but also with the content. This is one reserve that can break don't evaluate book by its handle, so do you still needing yet another sixth sense to pick this particular!? Oh come on your studying sixth sense already alerted you so why you have to listening to yet another sixth sense.

Waldo Gates:

Are you kind of stressful person, only have 10 or perhaps 15 minute in your moment to upgrading your mind proficiency or thinking skill even analytical thinking? Then you have problem with the book when compared with can satisfy your short space of time to read it because this all time you only find e-book that need more time to be learn. Badlands (The Aftershock Book 3) can be your answer as it can be read by you who have those short spare time problems.

Helen Jackson:

Do you like reading a guide? Confuse to looking for your preferred book? Or your book seemed to be rare? Why so many concern for the book? But any people feel that they enjoy to get reading. Some people likes reading through, not only science book but in addition novel and Badlands (The Aftershock Book 3) or perhaps others sources were given understanding for you. After you know how the good a book, you feel would like to read more and more. Science publication was created for teacher or students especially. Those publications are helping them to increase their knowledge. In different case, beside science reserve, any other book likes Badlands (The Aftershock Book 3) to make your spare time far more colorful. Many types of book like here.

Diane Morgan:

As a university student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some reserve, they are complained. Just minor students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Badlands (The Aftershock Book 3) can make you truly feel more interested to read.
