In a moment of recklessness, Gervase Tregarth, 6th Earl of Crowhurst, swears he'll marry the next eligible lady to cross his path. Cloistered at his ancestral castle in Cornwall, with nary a suitable woman for miles, he never expects he'll have to fulfill his pledge, at least not until the London Season begins. But then he meets his neighbor, the *very* appealing Madeline Gascoigne.

Years of secret service to the Crown have taught Gervase the value of always having a loophole—there will be no wedding if he and Madeline are incompatible in *any* way. So he sets out to prove that they would make a most *dreadful* match . . . by luring her into his arms and, ultimately, his bed.

From their very first kiss, Gervase discovers that the headstrong and independent Madeline is no meek country miss . . . and that the fire between them will burn long beyond that first seduction.
