Dizzy Worms: An African Tale (The Last Orders at Harrods Trilogy) Michael Holman

This wickedly satirical novel is also a serious critique of Africa's troubled state' - The Guardian 'Jolly good fun' - Daily Mail Charity Mupanga, the resilient and maternal proprietor of Harrods International Bar (and Nightspot) faces her toughest challenge in "Dizzy Worms", the final novel in Michael Holman's acclaimed trilogy set in the African slum of Kireba. Faced with a Health and Safety closure, Charity has a week to appeal and the chances of success seem negligible: elections are imminent, and Kireba is due to become a showcase of President Josiah Nduka's 'slum rehabilitation program', backed by gullible foreign donors. But before taking on Nduka and the council, she has a promise to keep - to provide a supply of her famous sweet doughballs to a small army of street children, as voracious as they are malodorous...Michael Holman uses his witty satirical pen to brilliant effect in this affectionate portrait of a troubled region, targeting local politicians, western diplomats, foreign donors and journalists, puncturing pretensions and questioning the philosophy of aid.
