60 Crocheted Snowflakes (Dover Knitting, Crochet, Tatting, Lace) Barbara Christopher

Few objects evoke the spirit of Christmas and a holiday atmosphere more effectively than light and airy snowflakes. Now, with this unusually extensive and comprehensive collection of patterns, crocheters can add exquisitely shaped "snow gems" to their treasure chest of festive ornaments.

Delicate snowflake patterns, infinite in form and amazingly symmetrical, are among the most popular designs with today's needleworkers. The 60 motifs in this collection, based on photographs of actual snowflakes from the book *Snow Crystals* by W. A. Bentley and W. L. J. Humphreys, include simple shapes for beginners, as well as intricate and challenging motifs for the more advanced. Eye-catching patterns include star-shaped wheels, exotic flower-like webs, six-side jewels of intricately worked threads, and a kaleidoscope of lacy arms and elaborate fern-like compositions.

Ideal for decorating Christmas trees, windows, and packages, or for framing, the snowflake patterns included here come with complete directions and finely detailed illustrations; and unlike nature's fragile, short-lived crystals, these inexpensive ornaments will be a joy to behold for years to come.
