"American Beauty penetrates into areas of those very personal thoughts and feelings that normally remain hidden. Richard Chachere has done a masterful job of bringing to the surface both the darkest machinations and extravagant wishes in each individual. And, fortunately this is accomplished in such a manner that allows one to recognize these qualities in oneself and to actually do something about it...which in turn becomes a very healing process." - - George Wagner, Executive Producer of Matter of Heart & Former President of the Los Angeles Jung Institute
