Contra el olvido: Conversaciones con Simón Alberto Consalvi (Hogueras nº 55) (Spanish Edition)

Ramón Hernández

«Contra el olvido. Conversaciones con Simón Alberto Consalvi» es historia dialogada; es un retrato del siglo XX a través del testimonio de un personaje de excepción: a ratos protagonista, a ratos testigo, pero siempre partícipe del proyecto de construcción de una democracia de partidos para Venezuela que implicara el abandono definitivo del recurso de las armas y de la voluntad del hombre fuerte y que supusiera la construcción de un régimen democrático y la consolidación de una república civil.

Es también historia revisada, íntima, distanciada del relato convencional y profusa en detalles reveladores de aspectos poco conocidos de este proceso de construcción de institucionalidad democrática. En este sentido, relecturas y reinterpretaciones copan la escena: el pretendido talante democrático de figuras como Medina Angarita y Uslar Pietri; la posibilidad incierta de construir apoyos sólidos para un eventual gobierno de Diógenes Escalante; el 18 de Octubre y su carácter revolucionario; el proceso de pacificación, tradicionalmente atribuido a Caldera; las divisiones de Acción Democrática y el inicio de su decadencia; el atentado contra Rómulo Betancourt; la imposibilidad de incorporación de la izquierda al Pacto de Puntofijo; los efectos del primer gobierno de Rafael Caldera sobre la institucionalidad democrática, son algunos de los episodios que Consalvi revisa y replantea de la mano de su entrevistador: Ramón Hernández.
