Fractured Catherine McKenzie

Welcome, neighbor!

Julie Prentice and her family move across the country to the idyllic Mount Adams district of Cincinnati, hoping to evade the stalker who's been terrorizing them ever since the publication of her bestselling novel, *The Murder Game*. Since Julie doesn't know anyone in her new town, when she meets her neighbor John Dunbar, their instant connection brings measured hope for a new beginning. But she never imagines that a simple, benign conversation with him could set her life spinning so far off course.

We know where you live...

After a series of misunderstandings, Julie and her family become the target of increasingly unsettling harassment. Has Julie's stalker found her, or are her neighbors out to get her, too? As tension in the neighborhood rises, new friends turn into enemies, and the results are deadly.
