Guys in Suits Van Whitfield

A group of friends try to make sense of love and life in the new millennium in this hilarious novel from Van Whitfield, author of *Something's Wrong with Your Scale!* and *Beeperless Remote*.

After years of disappointment, Simon Washington has grown tired of the Washington, DC, dating scene. He's desperately looking for a wife when he runs into his first love and determines to regain her affections. Meanwhile, Simon's best friend Stuart Worthington is doing his best not to settle down when he also rekindles a relationship with an ex-girlfriend. As it happens, both friends are in immediate need of dates for their annual New Year's vacation. With the clock ticking and their tickets waiting, Stuart and Simon lay plans to convince these old flames to accompany them, only to have a shocking revelation threaten everything at the last minute. With its page-turning plot and hilarious insights, *Guys in Suits* is a delightful novel that shines a spotlight on the imperfections of men, the enigmas of women, and the perils they both face in the quest to find someone right.
