Are you in business, journalism, law enforcement, or medicine?

Do you face students in a classroom or criminals in a courtroom?

Are you in a relationship or looking for one?

Do you have children?

Then you need the skills to read them like a book! I Can Read You Like a Book features a system for scanning and interpreting anyone's body language, enabling you to figure out what they are really saying or feeling:

Review: Check out someone quickly, from head to toe.

Evaluate: Know what to look for; notice what's relevant.

Analyze: Spot voluntary versus involuntary movements; factor in gender, context, culture.

Decide: Draw your conclusion.

Step-by-step, you will develop the same skills the best interrogators and detectives use to assess spies, criminals, and witnesses. As part of the process, you will observe some of the most famous people in the world through interrogator Greg Hartley's eyes. You'll discover what emotions these politicians, pundits, and stars are leaking through their body language and facial expressions, and what their answers (or non-answers) are really saying.

I Can Read You Like a Book gives you the fastest, most efficient method to read body language. In any kind of face-to-face competition, first encounters or daily encounters, and even watching the news, you will spot the messages and emotions that people are really sending--whether they know it or not.
