Strong Side Alison Hendricks

Their chemistry on the field is undeniable. But can they ever be more than friends?

Jason Hawkins is about to throw the biggest Hail Mary pass of his career. If he can't turn NFL recruiters' heads this year, he'll lose his shot at the one thing he's ever been good at. But every quarterback needs a man he can count on down-field. For Jason, that man just might be the Tigers' new receiver, Derek Griffin. Four years ago, Derek nearly lost everything after being outed by his teammates. Now he finally has a chance to get it all back as a walk-on for Eastshore College... if he can resist his immediate attraction to the gorgeous and very straight star quarterback. An instant connection during practice leads to an easy friendship that only grows stronger off the field. Derek is convinced friendship is all it'll ever be, but a very confusing moment of impulse leaves both of them fumbling for answers about their relationship. As curiosity gives way to passion and passion gives way to something deeper, Jason and Derek will have to tackle their own personal demons to bring home the win and earn their happy ending.

From reader reviews:

Karen Imes:

Hey guys, do you want to find a new book to study? Maybe the book with the title Strong Side suitable to you? Often the book was written by well-known writer in this era. The actual book entitled Strong Side is the main of several books that everyone read now. This kind of book was inspired lots of people in the world. When you read this guide you will enter the new age that you ever know prior to. The author explained their idea in the simple way, therefore all of people can easily to comprehend the core of this guide. This book will give you a great deal of information about this world now. So that you can see the represented of the world with this book.

Dennis Mock:

Reading a guide tends to be new life style in this particular era globalization. With looking at you can get a lot of information that may give you benefit in your life. Together with book everyone in this world may share their idea. Publications can also inspire a lot of people. A lot of author can inspire their own reader with their story or even their experience. Not only the storyplot that share in the publications. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on this planet always try to improve their proficiency in writing, they also doing some exploration before they write to their book. One of them is this Strong Side.

James Voyles:

People live in this new morning of lifestyle always make an effort to and must have the free time or they will get lots of stress from both day to day life and work. So, once we ask do people have time, we will say absolutely indeed. People is human not just a robot. Then we consult again, what kind of activity do you possess when the spare time coming to a person of course your answer will probably unlimited right. Then do you ever try this one, reading guides. It can be your alternative inside spending your spare time, typically the book you have read will be Strong Side.

Rubin Bourne:

This Strong Side is brand new way for you who has attention to look for some information mainly because it relief your hunger associated with. Getting deeper you into it getting knowledge more you know or you who still having small amount of digest in reading this Strong Side can be the light food for yourself because the information inside this book is easy to get by anyone. These books develop itself in the form that is certainly reachable by anyone, yeah I mean in the e-book contact form. People who think that in guide form make them feel drowsy even dizzy this e-book is the answer. So there is not any in reading a publication especially this one. You can find what you are looking for. It should be here for a person. So, don't miss that! Just read this e-book kind for your better life in addition to knowledge.
