Ever since he was an infant, Pigeon Jones has lived on the back of an artistically gifted white elephant named Birch. Birch is a loving father, but that doesn't stop Pigeon from wondering about the human parents who abandoned him. Birch has dreams, too—of being a well-known artist, and of finding the acrobat he fell in love with while they performed together in a circus years ago.

And so, on Pigeon's tenth birthday, their search for fame and lost loves begins. Pigeon and Birch paint their way across the world, dodging an evil circus ringleader, freeing zoo animals, and befriending singing hoboos along the way. But when they reach the end of their journey, Birch must master the most difficult art of all: letting go and allowing his beloved Pigeon to stand on his own two feet.
