How To Go To College Almost For Free Benjamin R. Kaplan

Uncertain about how you're going to pay for college? Afraid of drowning in a sea of student debt? Well fear not--Benjamin Kaplan once felt that way too. But that was before he discovered that hundreds of millions of dollars in scholarship prizes are waiting to be won. After winning nearly \$90,000 in unrestricted merit-based scholarship money (which covered virtually the entire cost of attending Harvard), Kaplan has come storming back with a no-holds-barred guide showing how you can do it too. In *How To Go To College Almost For Free*, Kaplan builds upon his own experiences, and adds insights from interviews with other scholarship winners--revealing insider secrets that put scholarship money within the reach of *all* students, regardless of their GPAs. The result is an "*indispensable resource for high school and college students, as well as for families caught in the middle-income financial aid crunch.*"
