RESILIA™ Pocketbook:: Cyber Resilience Best Practice AXELOS

RESILIA™ Cyber Resilience Best Practices offers a practical approach to cyber resilience, reflecting the need to detect and recover from incidents, and not rely on prevention alone. It uses the ITIL® framework, which provides a proven approach to the provision of services that align to business outcomes. This pocketbook concisely summarizes the core publication emphasizing how it can help organizations to become more effective through cyber resilience best practice. Key features:

- RESILIA: Cyber Resilience Best Practice covers a range of tried-and-tested cyber resilience activities and practices

- The guide has been developed by experts in both hands-on cyber resilience and systems management. Working closely with subject and technology experts in cybersecurity assessment

- In order to make the text more accessible, technical jargon and acronyms have been avoided as much as possible. It can be used as a revision aid during cyber resilience foundation training, and may subsequently function as an aide-mémoire for practitioners on a day-to-day basis.

You can m0ore simply to read this book through your smart phone. The price is not too expensive but this book has high quality.

Randal Gore:

As a college student exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their pastime. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways

to reach Chinese's country. Therefore this RESILIATM Pocketbook:: Cyber Resilience Best Practice can make you really feel more interested to read.
