The Sinking of RMS Tayleur : The Lost Story of the Victorian Titanic Gill Hoffs

'The moment they fell into the water the waves caught them and dashed them violently against the rocks, and the survivors on shore could perceive the unfortunate creatures...struggling amidst the waves, and one by one sinking under them.' (Hereford Times, 28 January 1854) ??The wrecking of the RMS Tayleur made headlines nearly 60 years before the Titanic. Both were run by the White Star Line, both were heralded as the most splendid ships of their time – and both sank in tragic circumstances on their maiden voyages. ??On 19 January 1854 the Tayleur, a large merchant vessel, left Liverpool for Australia; packed with hopeful emigrants, her hold stuffed with cargo. On the 160th anniversary of the disaster, Gill Hoffs reveals new theories behind the disaster and tells the stories of the passengers and crew on the ill-fated vessel: ??Captain John Noble, record breaking hero of the Gold Rush era. ??Ship surgeon Robert Hannay Cunningham and his young family, on their way to a new life among the prospectors of Tent City. ??Samuel Carby, ex-convict, returning to the gold fields with his new wife – and a fortune sewn into her corsets. ??But the ship's revolutionary iron hull prevented its compasses from working. Lost in the Irish Sea, a storm swept the Tayleur and the 650 people aboard towards a cliff, studded with rocks 'black as death'. What happened next shocked the world.??As featured in the Daily Mail, Yorkshire Post, Manchester Evening News, Hereford Times, Liverpool Echo, The Press & Journal, Dundee Courier, Fife Herald, Discover Your History, Your Family Tree, the Warrington Guardian and on BBC Radio Manchester, BBC Radio Merseyside, RTE Radio, Radio Warrington, Kingdom FM.

Herbert Willams:

As we know that book is very important thing to add our information for everything. By a guide we can know everything we want. A book is a set of written, printed, illustrated or even blank sheet. Every year had been exactly added. This publication The Sinking of RMS Tayleur : The Lost Story of the Victorian Titanic was filled with regards to science. Spend your free time to add your knowledge about your technology competence. Some people has several feel when they reading a book. If you know how big benefit from a book, you can truly feel enjoy to read a publication. In the modern era like right now, many ways to get book that you just wanted.

Eric Green:

As a college student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we

know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this The Sinking of RMS Tayleur : The Lost Story of the Victorian Titanic can make you sense more interested to read.
