Backcast Ann McMan

"I love Ann McMan."—Dorothy Allison, National Book Award finalist for *Bastard Out of Carolina*

When sculptor and author Barb Davis is given an NEA grant to pair original feminist sculptures with searing first-person essays on transitions in women's lives, she organizes a two week writing retreat with twelve of the best, brightest, and most notorious lesbian authors in the business. But in between regularly scheduled happy hours and writing sessions, the women enter a tournament bass fishing competition, receive life coaching from a wise-cracking fish named Phoebe, and uncover a subterranean world of secrets and desires that is as varied and elusive as the fish that swim the inland sea.

Set on the beautiful shores of Vermont's Lake Champlain, *Backcast* is richly populated with an expansive cast of endearing and outrageous characters who battle writer's block, quirky locals, personal demons, unexpected attractions, and even each other during their two-week residency. For Barb and each of her twelve writers, the stakes in this fast-moving story are high, but its emotional and romantic payoffs are slow and sweet.

Filled with equal parts laugh-out-loud humor and breathtaking pathos, *Backcast* serves up a sometimes irreverent, sometimes sobering look at the hidden lives of women, and how they laugh, love, lose, and blunder through their own search for meaning.

Ann McMan is the author of five novels, including *Jericho* and *Aftermath*, and two short story collections. She has won two Golden Crown Literary Awards and her novel, *Hoosier Daddy*, was a Lambda Literary Award Finalist.

From reader reviews:

Rita Heil:

The book Backcast give you a sense of feeling enjoy for your spare time. You should use to make your capable far more increase. Book can being your best friend when you getting anxiety or having big problem with the subject. If you can make reading through a book Backcast to become your habit, you can get much more advantages, like add your current capable, increase your knowledge about a few or all subjects. You are able to know everything if you like open up and read a guide Backcast. Kinds of book are several. It means that, science guide or encyclopedia or other individuals. So , how do you think about this publication?

James Goodman:

What do you think about book? It is just for students because they are still students or the idea for all people in the world, what the best subject for that? Only you can be answered for that question above. Every person has diverse personality and hobby for each and every other. Don't to be obligated someone or something that they don't would like do that. You must know how great and important the book Backcast. All type of book are you able to see on many options. You can look for the internet resources or other social media.

Barbara Bell:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The data you get based on what kind of guide you read, if you want get more knowledge just go with education and learning books but if you want really feel happy read one along with theme for entertaining such as comic or novel. The particular Backcast is kind of publication which is giving the reader unstable experience.

Brian Register:

This Backcast is fresh way for you who has curiosity to look for some information because it relief your hunger associated with. Getting deeper you in it getting knowledge more you know or you who still having tiny amount of digest in reading this Backcast can be the light food to suit your needs because the information inside this particular book is easy to get by anyone. These books produce itself in the form and that is reachable by anyone, sure I mean in the e-book web form. People who think that in reserve form make them feel drowsy even dizzy this guide is the answer. So you cannot find any in reading a reserve especially this one. You can find what you are looking for. It should be here for you actually. So , don't miss this! Just read this e-book variety for your better life and knowledge.
