## **O Senhor Dos Paradigmas (Portuguese Edition)** Silvio Kniess Mates

A questão central deste livro é expressa nas cenas cotidianas da vida de um professor que mergulha em um mundo de indagações. De onde veio o mundo? Por que o universo é como é? Se existe um mundo, poderia haver dois, três, infinitos mundos? Zero mundo? Se antes do universo não havia nada, poderia o cosmos surgir do que não existe? Como o big bang poderia ter estado grávido do universo? Onde estão escritas e o que confere autoridade às Leis Físicas? Como a vida brotou da na?o-vida? Embora façamos parte do mundo, de alguma forma nos sentimos acima do mundo. Quem nunca se perguntou uma vez ou outra se Deus existe. Há vida depois da morte? Esta é a trilha de questionamentos percorrida pelo o professor Max.
