Siberian Exile Libby Brahms

Based on real characters close to Libby Brahms -- her mother and father --this historical romance is rooted in real events. Set in 1905 during pre-Revolutionary Czarist Russia, a time of great unrest in that country, Czar Nicholas II and his regime exiled Brahms' mother to Siberia for teaching peasants to read "...a severe crime then." said Brahms. "My mother had just met my father, home from the Russian-Japanese War, three days before her arrest. They were married in Archangel, closest big city to the North Pole, upon her release" said Brahms.
