Solar Conscience Lunar Conscience: An Essay on the Psychological Foundations of Morality, Lawfulness, and the Sense of Justice [Paperback] Murray Stein

Dr. Murray Stein explores the origins and mechanisms of conscience. He defines solar conscience as an inner voice that represents the values of society, and lunar conscience as an instinctive inner sense which seeks to fulfill underlying qualities of right and wrong.

Dr. Murray Stein is a supervising training analyst and former president of The International School of Analytical Psychology in Zurich, Switzerland (ISAP Zurich). He is the author of Jung's Treatment of Christianity as well as many other books and articles in the field of Jungian Psychoanalysis. Dr. Stein was also editor of Jung's Challenge to Contemporary Religion. From 2001 to 2004 he was president of the International Association for Analytical Psychology. He has lectured internationally and presently makes his home in Switzerland. Dr. Stein has several videos available from the Asheville Jung Center including one where he explores more about the Solar and Lunar minds.
