How to Behave So Your Children Will, Too! Sal Severe

In this eye-opening resource, Dr. Sal Severe taps his twenty-five years of experience as a school psychologist and parenting workshop leader to show that a child's behavior is often a reflection of the parent's behavior, and by making changes themselves, parents can achieve dramatic results in their children. Instead of focusing on what children do wrong, Dr. Severe teaches parents to emphasize the positive, to be consistent, and to be more patient. He shows parents how to teach their children to behave, listen, and be more cooperative, and how moms and dads can manage their own anger and prevent arguments and power struggles. Packed with concrete strategies for dealing with homework hassles, ending tantrums, and other common problems, Dr. Severe's empathetic, common-sense book will be welcome everywhere.
