Managing Your Family's High-Tech Habits: (From Video-Games to the Dark Side of the Web) Arnie Cole, Pam Ovwigho, Michael Ross

Most families are riding the wave of high-tech gadgets, rarely considering its negative consequences: increased stress, “connected isolation,” loneliness, bad habits and behaviors, and dangerous addictions. *Managing Your Family's High-Tech Habits* helps you sort through the promise and the pitfalls of virtual living, showing you how to navigate social media choices and set healthy boundaries. Various chapters address hot-button issues: why boys get hooked on video games; why our daughters practically “live” on their cell phones; what to do when families are caught in the dark side of the web.
