Return to Poland

Denis Hills

Return to Poland Denis Hills

This study of Poland is rooted in first-hand knowledge of the country spanning almost fifty years. Denis Hills has been forced to flee Poland three times, first in 1939, then twice during 1985, when he returned to compare Poland post-Solidarity with the country he knew before the war. Travelling in an aged Bedford camper, Hills talked to Poles, gypsies and British Council pundits and visited Warsaw, Cracow and Auschwitz-Birkenau, to gain a perspective of the country past and present. The author's previous books include "The White Pumpkin", "The Last Days of White Rhodesia" and "The Rock of the Wind".

From reader reviews:

Ann Tuttle:

The book Return to Poland can give more knowledge and information about everything you want. So why must we leave the good thing like a book Return to Poland? Wide variety you have a different opinion about guide. But one aim in which book can give many information for us. It is absolutely correct. Right now, try to closer along with your book. Knowledge or data that you take for that, you can give for each other; you are able to share all of these. Book Return to Poland has simple shape nevertheless, you know: it has great and massive function for you. You can seem the enormous world by open and read a e-book. So it is very wonderful.

Mary Chapa:

Is it you actually who having spare time after that spend it whole day by means of watching television programs or just lying on the bed? Do you need something totally new? This Return to Poland can be the response, oh how comes? It's a book you know. You are thus out of date, spending your spare time by reading in this completely new era is common not a geek activity. So what these textbooks have than the others?

John Merritt:

As a pupil exactly feel bored to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just minor students that has reading's internal or real their pastime. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Return to Poland can make you experience more interested to read.

Matthew Russell:

Some people said that they feel weary when they reading a reserve. They are directly felt the idea when they get a half portions of the book. You can choose the actual book Return to Poland to make your reading is interesting. Your own skill of reading skill is developing when you similar to reading. Try to choose very simple book to make you enjoy you just read it and mingle the impression about book and examining especially. It is to be very first opinion for you to like to wide open a book and study it. Beside that the reserve Return to Poland can to be your brand-new friend when you're feel alone and confuse in what must you're doing of that time.
