The Enemy Within: Saving America from the Liberal Assault on Our Churches, Schools, and Military
Michael Savage

America's bravest, brashest voice is back?as ferocious and cutting as ever.

"Where has six decades of radical, mad-dog liberalism brought us?" Savage asks in his electrifying new book. "I'll tell you where: America is teetering on the cliffs of insanity."

Written with the fire, the conviction, and the clear vision of a modern-day prophet, Savage returns with a vengeance in this lightning rod of a book, speaking for all Americans who are fed up and ticked off at the corrosive influence of today's "psycho liberals"?the Democrats, as he calls them.

"They're speeding down the pathway of good intentions. Their mantra: Celebrate perversity, embrace ultra-tolerance, pay rape-a-nations (so-called reparations), support affirmative racism, and provide government subsidies for every illegal who sneaks across the border. In their haste to push failed socialist ideals, the libs have placed us on a crash course of total destruction."

Even while the heated controversy of his *New York Times* bestseller, *The Savage Nation*, still simmers, Michael Savage raises his weapons of matchless wit and moxie again, this time aiming his sights on the liberal assault on our most cherished institutions and taking a stand for our schools, our faith, our police and armed forces, and, most important, our families.

It isn't always pretty. You might even at times become uncomfortable. But as you read on, you'll find these pages always contain the Savage truth. That is how to fight the Enemy Within.

Filled with riotous rage and blistering humor, this book inspires as it enflames, encouraging Americans to reclaim our country, our government, our national integrity.
