Abandoned Lee Shepherd

Terrified. Drugged. Abandoned.

A rural area in the north of England is put on edge as teenage girls start to go missing. The local authorities are stumped in their search for the one responsible.

Charles Lee lives a very normal life, in stark contrast to his troubled past. Putting years of abuse, neglect and loss behind him, he has built a new life in the countryside with his beloved family and border collie. However, his past soon starts to haunt him as burned bridges are resurrected, old grievances resurface and a lust for revenge takes over.

Will Detective Taylor and psychological profiler Georgina Riley suss out the clues and piece together the jigsaw in time to stop the disappearances?
