Dad, you shape your daughter's future.

You impact every aspect of your daughter's life. You show her how women should be treated, how men should act, and how a man shows healthy love and affection toward a woman. And, perhaps most importantly, you set the standard for how your daughter feels she deserves to be treated by men.

This is a big responsibility, and it's not always easy to carry out.

But parenting expert Rick Johnson is here to help. He shows you how to develop a close relationship with your daughter, giving you the confidence and the encouragement you need to take up the active, positive role that can change your daughter's life--starting now.

"Writing from personal experience, Rick Johnson unequivocally understands the importance of a godly father in a girl's life. A must-read for every dad who desires a close relationship with his daughter!"--**Susie Shellenberger**, editor, *SUSIE Magazine* for teen girls

"I am a firm believer that the father/daughter relationship is perhaps one of the most critical relationships in a young lady's life. If this book were on every father's nightstand, I daresay it wouldn't be as tough to be a girl in today's world."--**Vicki Courtney**, author, *5 Conversations You Must Have with Your Daughter*

"With compassion and honesty, ideas and heart, Rick Johnson gives the tools needed for the growth of strength and godly beauty any parent wants for their daughter."--**Doug Fields**, pastor, speaker, author of *Fresh Start*
