It may take a miracle—or a hurricane—to save this family vacation.

Stepsisters Stephanie and Diana undergo another adventure when they embark on a Grand Cayman cruise with their extended family to celebrate their grandmother's 80th birthday. But the vacation gets complicated with the addition of an eccentric Granny and a video-taping manic cousin. Plus Stephanie's growing interest in boys makes Diana's Mood-o-Meter swing like a pendulum. When the girls discover a plot to smuggle a rare, endangered Blue Iguana, Diana's fury rages to the surface and threatens to ruin the entire birthday party—or unite the clan for a rescue mission.

The third installment of *Sisters in All Seasons* is full of humor, heartache, friendships, and very real family drama aboard a cruise-ship—where there's no escaping if you want to run away! Join Stephanie and Diana once again as they tread the wavering waters of step-sisterhood.

Lisa Williams Kline is the author of *Floods*, *The Princesses of Atlantis*, *Write Before Your Eyes*, and *Eleanor Hill*, winner of the North Carolina Juvenile Literature Award. She has written for *Cricket*, *Cicada*, *Spider* and *Odyssey* magazines, and lives in North Carolina with her veterinarian husband, where they are frequently visited by their grown daughters. Besides writing, Lisa has been a disc jockey, copywriter, waitress, and veterinary hospital office manager. Recently she learned to drive a forklift.

As we know that book is important thing to add our know-how for everything. By a book we can know everything we want. A book is a group of written, printed, illustrated as well as blank sheet. Every year was exactly added. This publication Blue Autumn Cruise (Sisters in All Seasons) was filled regarding science. Spend your extra time to add your knowledge about your scientific disciplines competence. Some people has distinct feel when they reading some sort of book. If you know how big benefit from a book, you can sense enjoy to read a guide. In the modern era like right now, many ways to get book that you simply wanted.

Clara Brownfield:

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just small students that has reading's spirit or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Blue Autumn Cruise (Sisters in All Seasons) can make you feel more interested to read.
