Mercedes have been involved in Grand Prix for more than 100 years. Starting with the Daimlers of the 19th Century, through to the Silver Arrows of the 1930's, Formula One in its heyday, engine supplier in the 90's and World Champions of today. They have encountered magnificence, tragedy, breakthroughs and setbacks along the way but have never failed to redeem all that we love in Formula One. The story Mercedes can tell is a truly exceptional one in the world of racing, far beyond that of any other team. Collection Editions bring you the complete story of Mercedes-Benz in Formula One. The drivers and the cars, the tragedies they have suffered and those that have given the team hope and life, all brought together in full-colour (with many previously unseen photographs) full historic features, tragic stories, the cars (from the 1902 Simplex through to the 2014 W05 Hybrid), driver biographies, F1 safety cars, and much more. An essential part of any Formula One fans collection!
