Extreme College Planning II: Getting the Most for Your College Dollar III Thomas M. Leahy

It may change your life. A refreshing departure from mainstream "how to" books, *Extreme College Planning* offers a new view of college preparation. While addressing all the details, from estimating the family's fair share to making the most of campus visits, the book takes a down-home, practical look at the arduous and stressful task of selecting, applying and paying for college.

Author Thomas Leahy skillfully hones in on the real issues, giving insight and guidance to successfully navigate the muddy waters of the college and financial aid application process and championing the "best-value" approach to college planning. *Extreme College Planning* provides a step-by-step road map, it brings into focus the myriad of information available, including resources and web sites.

This book empowers families facing college to expedite the college planning process and maximize financial assistance, through a calculated procedure of exploration, selection, implementation and negotiation.
