## **Life on the Mississippi (Penguin Classics)** Mark Twain

Fashioned from the same experiences that would inspire the masterpiece **Huckleberry Finn**, **Life on the Mississippi** is Mark Twain's most brilliant and most personal nonfiction work. It is at once an affectionate evocation of the vital river life in the steamboat era and a melancholy reminiscence of its passing after the Civil War, a priceless collection of humorous anecdotes and folktales, and a unique glimpse into Twain's life before he began to write.

Written in a prose style that has been hailed as among the greatest in English literature, **Life on the Mississippi** established Twain as not only the most popular humorist of his time but also America's most profound chronicler of the human comedy.
