Following on the heels of *Men: Some Assembly Required*, his instruction manual on men written for women, popular author and speaker Chuck Snyder comes full circle with a much-needed book that explains the mysteries of women to men. Speaking in a man's language, from an unashamedly male viewpoint, Snyder cleverly interweaves humor and insight to teach what wives need ... and what it means for husbands to "die" for their wives on an everyday basis. Acknowledging that men want to meet women's needs but often don't know how, Snyder effectively teaches husbands how to love their wives in ways that will make them truly feel loved.
