Boo Humbug Rene Gutteridge

It's Christmastime in Skary, Indiana, but the holiday season has been hijacked by maverick director Lois Stepaphanopolis as she attempts to bring her horror-ific vision of *A Christmas Carol* to life. But the holly-decked path from page to stage is a thorny one, as Lois attempts to rally her skeptical cast, including new father Wolfe Boone, and then she learns that her reluctant marketing director, Alfred Tennison, is truly a Christmas Scrooge.

Alfred's grassroots marketing plan proves more than successful as the buzz builds that Skary should anticipate an overflowing audience for their opening night— but a crucial miscommunication leaves the visiting theatergoers expecting of a very different Christmas production. As chaos ensues, can the actors pull off an improv miracle — and can the Skary community convince their own Scrooge to embrace the true meaning of Christmas?

From the Hardcover edition.
