Joseph R. Allen

Taipei: City of Displacements (McLellan Endowed Series) Joseph R. Allen

Winner of the Joseph Levenson Post-1900 Book Prize

This cultural study of public space examines the cityscape of *Taipei*, Taiwan, in rich descriptive prose. Contemplating a series of seemingly banal subjects--maps, public art, parks--Joseph Allen peels back layers of obscured history to reveal forces that caused cultural objects to be celebrated, despised, destroyed, or transformed as *Taipei* experienced successive regime changes and waves of displacement. In this thoughtful stroll through the city, we learn to look beyond surface ephemera, moving from the general to the particular to see sociocultural phenomena in their historical and contemporary contexts.
