The Diloggún: The Orishas, Proverbs, Sacrifices, and Prohibitions of Cuban Santería Ócha'ni Lele

The first book on Santería's holiest divination system to thoroughly explore each family of *odu* and how their actions and reactions affect the spiritual development of the client.

- Includes the major considerations for sacrifice, providing the diviner with ways to placate and supplicate the Afro-Cuban deities known as orishas.
- Demonstrates how to properly end a reading so that negative vibrations are fully removed from the diviner's home.
- Provides a thoroughly detailed description of each of the 12 families of *odu* that exist in the diloggun--from Okana through Ejila Shebora.

The diloggun is more than a tool of divination. It is a powerful transformational process, and the forces that are set in motion when it is cast determine the future evolution of the adherent. The *Diloggun* is the first book to explore this Afro-Cuban oracle from the perspective of diaspora orisha worship. It is also the first book to explore the lore surrounding this mysterious oracle, which is the living Bible of one of the world's fastest growing faiths.

The twelve families of *odu* that are available to the diviner include 192 *omo odu*, the children of the *odu*, and each of these patterns or letters has its own proverbs, meanings, prohibitions, and sacrifices. Ócha'ni Lele provides the secret but essential information that the adept diviner needs to know to ensure that every element affecting a client's spiritual development is taken into consideration during a reading. His book is also the first to detail how to properly end a session so that negative vibrations are absorbed by the orishas and fully removed from the diviner's home. For those seeking the wisdom of ancient Africa, *The Diloggun* is an indispensable guide to the mysteries of the orishas.
