In the instant international sensation *Just One Night*, sensible Kasie Fitzgerald unleashed her passions--and found herself--through an explosive affair. In *Just One Lie*, we meet Kasie's wild and tortured sister, whose impulsivity and lack of self-control has set off a chain of events that changes her family forever.

Melody Fitzgerald is the opposite of the "perfect" daughter. The lead singer of an indie rock band, she is impulsive and creative, with a rebellious streak that both defines her and becomes her greatest enemy. Her lover, the enticing and unpredictable Ash, shares her free spirit and penchant for trouble. On the face of it, he seems to be her perfect match.

So why is she so drawn to her soft spoken, reliable drummer, Brad Witmer? How can a man who wears polo shirts and reads the financial section of the paper be of any interest to her at all? And why on earth does someone like that appear to be so captivated by *her*?

Before she knows it, Melody finds herself on a path of self-discovery, passion, and affairs of the heart. But will a dark secret from her past derail it all? Or will its exposure be the very thing that unburdens her heart and allows her to seek a future with the one man who loves her completely?
