The Key to Study Skills is a guide for simple strategies to double your reading, memory, and focus. Produced by the creators of the number-one best-selling course "Become a SuperLearner" and a book with the same name, it includes everything you need to read 1000 words per minute and retain almost everything. This speed would let you read *Harry Potter and the Sorcerer's Stone* in just 77 minutes. The Bible would still take 13 hours....

In today's information-driven society, effective learning is the key to a successful career and a happy life. As the demands on our learning capabilities continue to grow and outpace our old learning methodologies, there becomes an ever more pressing need for advanced memorization methods, speed reading skills, and analytical thinking to multiply our learning and creative potential. Similarly, we can use these same techniques to overcome both perceived and diagnosed limitations to our learning skillset.

The skillset taught by this book is intended for everyone. The students who suffer from dyslexia, ADHD, or other learning disorders acquire the speed reading skill and report improved focus and joy from learning.

For the last decade, learning enthusiasts Anna and Lev Goldentouch have taught thousands of students, culminating in the blockbuster course created in collaboration with one of their star students: "Become a SuperLearner". Every challenging student question and every difficulty encountered through thousands of hours of research has been crystallized into this book.

Join Lev and Anna in a fascinating quest to discover the key to study skills, memory mastery, and supercharged reading.
