**All That Lies Between Us** Maria Mazziotti Gillan

Constructed in the form of a memoir, these poems take on an emotional tone as the author details the story of her life. The collection is populated by her memories of childhood, courtships and marriage, family illness, children, and grandchildren. At its core is a woman struggling to deal with all the complexities of love and the difficulties of achieving compassion and tenderness in the face of adversity. Brave, honest, and beautiful, these poems shed new light on what it means to be human. {Guernica Editions}
