Smuggling as Subversion: Colonialism, Indian Merchants, and the Politics of Opium, 1790-1843 Amar Farooqui

In the modern era, Western colonialism has been a vehicle for the diffusion of a wide range of narcotic substances, but of all the drugs promoted by colonialism, opium occupies a unique place. *Smuggling as Subversion* is the first comprehensive account of the opium industry in western India during the colonial period, from its beginnings to the mid-19th century. This is an in-depth examination of the use of opium during colonial times, and at the same time the fascinating story of how Indian merchants developed a smuggling enterprise that subverted the East India Company's monopoly in the drug, setting in motion a chain of events that led to the first Opium War in China. *Smuggling as Subversion* is gripping and essential reading for students and scholars of the history of narcotics, India, or colonialism.
