**The Contemporary Congress** Burdett A. Loomis, Wendy J. Schiller

*The Contemporary Congress* offers a clear and concise introduction to legislative processes. Perfect as a brief core or supplementary text for undergraduate courses, the Sixth Edition constructs a comprehensive portrait of the U.S. Congress, from defining congressional structures and procedures to outlining the process of elections and analyzing presidential-congressional relations. With updated coverage of the most recent elections, Loomis and Schiller remain committed to providing a text that integrates academic studies—both modern and classic—with the actual politics of Capitol Hill. Through the use of engaging examples in every chapter, *The Contemporary Congress* provides the most succinct and readable analysis of the politics behind the policy decisions made every day on the House and Senate floors.
