This collection bundles two of Randy Singer's best-selling legal thrillers into one e-book for one low price!

False Witness:

Clark Shealy is a bail bondsman with the ultimate bounty on the line: his wife's life. He has forty-eight hours to find an Indian professor in possession of the Abacus Algorithm—an equation so powerful it could crack all Internet encryption.

Four years later, law student Jamie Brock is working in legal aid when a routine case takes a vicious twist: she and two colleagues learn that their clients, members of the witness protection program, are accused of defrauding the government and have the encrypted algorithm in their possession. After a life-changing trip to the professor's church in India, the couple also has the key to decode it.

Now they're on the run from federal agents and the Chinese mafia, who will do anything to get the algorithm. Caught in the middle, Jamie and her friends must protect their clients if they want to survive long enough to graduate.

The Last Plea Bargain (2013 Christy Award finalist):

Plea bargains may grease the rails of justice, but for Jamie Brock, prosecuting criminals is not about cutting deals. In her three years as assistant DA, she's never plea-bargained a case and vows she never will. But when a powerful defense attorney is indicted for murder and devises a way to bring the entire justice system to a screeching halt, Jamie finds herself at a crossroads. One by one, prisoners begin rejecting deals. Prosecutors are overwhelmed, and felons start walking free on technicalities. To break the logjam and convict her nemesis, Jamie must violate every principle that has guided her young career. But she has little choice. To convict the devil, sometimes you have to cut a deal with one of his demons.
